We “Jupiter Ceramics” is manufacturing, retailing and wholesaling a durable range of **Knitting Machine Ceramics**, **Looms Machine Ceramics**, **Sandblasting Ceramics**, **Spinning Machine Ceramics**, etc.

## About Us

We “**Jupiter Ceramics**” have gained recognition in this domain by **manufacturing, retailing and wholesaling** a durable range of **Knitting Machine Ceramics, Looms Machine Ceramics, Sandblasting Ceramics, Spinning Machine Ceramics, etc.** Located at **Surat (Gujarat, India)**, we are a **Sole Proprietorship Company** and believe in providing an extensive range of ceramic products as per the industry set standards. Incorporated in the year 1985 and we provide this range of ceramic products in various specifications as per the diverse choices of the clients. Under the headship of our mentor, “**Mr. Chintan Jhaveri**”, our organization has gained a significant position in the national market. We are one of the most reliable and trustworthy name in the Indian textile industry, when it comes at providing quality ceramics spares at competitive price.

Our Delhi based manufacturing unit is well equipped with modern machinery and research and development facility. This enables us to produce and deliver large quantities of spares in shortest lead time at a competitive price. Our strong sales network spread across India allows us to serve both our national and international clients in shortest possible lead time. We also manufacture components in accordance with the client’s specification. The company’s philosophy revolves around client’s need and satisfaction. We strive to achieve this by strict...
