About Us

Jute Cottage was born in 1999 in the mind of Mrs. Nasreen Khan and grew in the hearts of people of Bangalore. They embraced our products and designs as naturally as a fish takes to water. It is their unflinching faith and trust in us that gave us the strength to move forward. Today Jute Cottage bags are retailed not only from its own seven exclusive outlets in cities of Bengaluru, Mumbai, Goa but also from numerous stores across the globe in countries like USA, Tanzania, Dubai to name a few.

We re-define and elevate the image of jute to highly fashionable stylish material which otherwise was thought to be a dull and rugged fabric. Our in-house design workshop is equipped with highly skilled manpower and delivers top of the line trendy jute handbags which you would love to flaunt and cherish for years to come.

We at jute cottage are committed to excellence in product quality. And, we use only the best inputs, be it the fabric, zipper, slider, sewing and emb. threads, print pigments, accessories, handles, fittings, beads or whatever. Our USP is honesty, creativity and passion in delivering only the BEST.

Each design is crafted with love and care merging traditional designs with modern sensibilities. Our bags are ethnic, as well as contemporary. Jute cottage Bags are strong, functional, trendy, fashionable, re-usable and of course - cute.

Our focus is on design innovation and promotion of handcrafted products made by rural Indian artisans using natural...
