About Us

Established in the year **1972**, at, Modinagar, Uttar Pradesh, India, we, “**Jyoti Chemicals**” are **ISO 9001:2008 Certified** organizations engaged in manufacturing and supplying different types of **Laboratory Chemicals**. The offered range includes **Acetic Acid, Magnesium Ribbon Chemicals, Benzene Chemicals, Sodium Metal Chemicals** and **Acetone Chemicals**. These offered chemicals are processed by our experienced professionals following accurate chemical composition in a hygienic condition. The offered **Laboratory Chemicals** can be found in both organic as well as inorganic substance and in definite composition also. Offered at industry leading prices, these chemicals are widely used in **Agricultural, Textile and Clothing, Automotive** and **Paper Industry**. Capitalizing on our sound infrastructure and other requisite facilities, we are able to process a quality range of **Laboratory Chemicals** that helps in meeting the variegated demands of the customers based through or the country. These chemicals are tested by our quality analysts and then properly packed using fine quality packaging materials to make sure that the chemical remain safe during transit. Moreover, owing to our wide distribution network, we ensure that all the offered **Laboratory Chemicals** are supplied to the customers within time. Under the able guidance of our founder and mentor, **Mr. R.L. Bhardwaj**, we have been able...

LABORATORY CHEMICALS

Our Products

Methylene Blue

dimethyl glyoxime

benedict solution

Solvents

Potassium Chromate

Sodium Bicarbonate

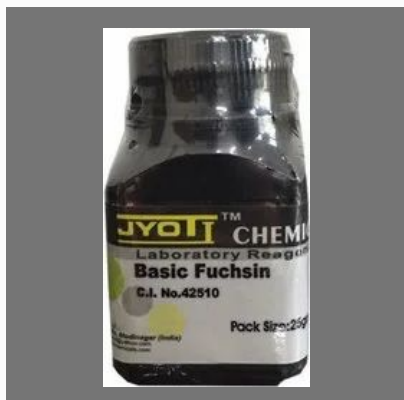

Sodium Hydroxide Pellets

benzene

GLUCONIC ACID

fuchsin basic

Fuchsin Basic

Fehling Solution B

azomethane h

CARBOLIC ACID

Our Products

carbolic acid liquid

carbolic acid

carbolic acid

phenol

Magnesium Ribbon

Magnesium Metal Ribbon

Magnesium Ribbon

OTHER PRODUCTS:

Potassium Pyroantimonate

Potassium Iodide

glacial acetic acid

Ferrous Ammonium Sulphate

Factsheet

Year of Establishment	: 1972
Nature of Business	: Manufacturer
Total Number of Employees	: Upto 10 People
