## About Us

**“JYOTI OVERSEAS” an ISO 9001:2008 certified company**, as a manufacturers and exporters of Brass Builders & Architectural Hardware based in Aligarh (Uttar Pradesh) INDIA. **“JYOTI OVERSEAS”** is relatively a young company established in 1996 and is dedicated to quality workmanship, as we all know that quality work is not an accident but it is the result of intelligent efforts, and the efforts are going on ever since the company came into existence for long lasting quality, services and just as important products priced well within each. We believe in satisfying our buyers with quality products and competitive prices. We forward our hands towards such quality conscious companies who care for our efficiencies. We have a team of both skilled & unskilled workers making Hardware by doing lots of hard work. (WE DO NOT KEEP CHILD LABOUR) and are keen of clean, green and healthy working conditions. We have fully equipped workshop consisting of Power Press, Drill Machines, Lath Machine, Milling Machines, Grinders, Lancer Machines, Polish Machines, Vibrator, Ultrasonic Degreaser, Skin Packing Machine, Baking Oven, Compressor, Electro Phoratic Lacquer Coating Plant, Powder Coating Plant, Nickel & Chrome Plating Plant etc... We are using the latest technology for polishing and finishing our products through vibratory debarring and finishing machines using Italian plastics & ceramics media and then each piece is hand polished...
