About Us

Jytra Engineering Services is a leading professional training provider in India with its head quarters located at Hyderabad, Andhra Pradesh. Jytra Engineering Services is the Authorized Training Partner of Siemens Industry Software India Pvt. Ltd. to offer Siemens Certification courses on various software like Unigraphics NX, Solid Edge with Synchronous Technology, NX Nastran, Teamcenter Express, Teamcenter Unified, Tecnomatix etc. Jytra Engineering Services is also affiliated to State Board of Technical Education and Training, Government of Andhra Pradesh to conduct Certification courses on AutoCAD, Office Automation etc. Jytra Engineering Services has been achieving above 90% pass percentage on AutoCAD training certifications from SBTET, Government of Andhra Pradesh. Jytra leadership has vast experience in USA and India and with various global companies on engineering projects. They involve in day to day activities of training, schedules, contents and actions based on feedback. Being technocrats, they insist for quality training on tools utilizing live applications rather than merely teaching the software commands. Jytra Engineering Services is the Authorized Distributor of progeCAD Professional Software and Siemens Industry Software in India. We have supplied more than 3,000 software licenses to our customers so far across India. Further, Jytra has enriched skills in Mechanical and Electrical Engineering domains by providing services to various globally...
