K. Patel Metal Industries Private Limited

<https://www.indiamart.com/k-patel-metal/>

We are an **ISO 9001:2008** certified Manufacturer, Exporter, and Wholesaler engaged in offering a wide assortment of Copper wires, Aluminum Wires, Copper strips and Aluminum strips.

About Us

Established in the year **1992**, we, “**K.Patel Metal Industries Private Limited**” are a certified Manufacturer, Exporter and Wholesaler of **Copper wires, Aluminum wires, Copper strips and Aluminum strips**. These wires are widely appreciated for durability, high tensile strength and corrosion resistant features. We have a sophisticated manufacturing unit, where these wires are manufactured using latest technology. These products are certified by **UL & RDSO**, which ensures maximum reliability. Our company is a part of the **K. Patel Group**, which is a renowned name in this domain.

Due to our huge distribution network spread across **Europe, Africa, Gulf Countries and South East Asia**, we have streamlined our business activities. We maintain our delivery commitment and provide the products to the customers, within the committed time-frame. Moreover, we also take required feedback from the clients to enhance our product quality.

Our company is backed by a team of diligent professionals, which is responsible for the smooth execution of the activities of different departments. These professionals are familiar with the techniques required to manufacture our Copper Wires.
