About Us

Customized Touch Switch Board Automation We Provide the Smart Touch Switch Boards with the Customized Backgrounds based on Customer Choice. It is compatible for Indian Electric Standard Modular Boxes. It makes your Home more Beautiful along with the new interiors. Switching Features: Manual, Smart Phones, Alexa Voice Commands **Intruder/Burglar Alarm System** Security sensors also act as the eyes and ears of your home. In an emergency, your system can communicate with a central monitoring station, and send voice, email or text notifications. **Motorized Curtains Automation** Motorized curtain is not simply to provide a solution to sun shading, thermal insulation, glare or privacy; we create a relaxed, comfortable and convenient living environment. With exquisite craft and elegant appearance, it is the best fashionable choices for hotels, conference rooms, business centers and modern homes. **Motorized Gate Automation** Gate automation is a style choice for you and your property. An automated gate makes your life more comfortable, easy and beautiful. Forget the inconvenience of having to open and close your gate manually, with one simple movement you can operate it from the comfort of your home or car. **CCTV REMOTE SURVEILLANCE** The Secure Storage Solution Have peace of mind by not only viewing live video footage, but also recorded video footage that's stored on-site in a structured wiring enclosure and can also be backed up...
