## About Us

We, **Kabra Decorative Mosquito Guard Enterprises** are a **Sole Proprietorship Firm** established in **2012** at **Kolkata** in **West Bengal**, working in the industry as the trusted manufacturer and supplier of a quality approved collection of **Window Blind, Roller Blind, Plisse Screen Door, Insect Killer Machine, Roller Insect Screen, Mosquito Net, Electronic Rat Repellent and Pepper Spray**. Each year in India, scores of children and adults are infected by mosquito-borne diseases like dengue, malaria, yellow fever and other deadly flues. In a world that's getting deadlier, it's important to keep away from mosquitoes and other flies that carry deadly diseases to your home. Our Organisation **Kabra Decorative Mosquito Guard Enterprises (KDMG)** is trying to contribute towards this social cause. **KDMG** has come out with innovative concept of Decorated Mosquito Netted Window which is not only guarding your home from mosquitoes & other insects but at the same time also enriching the beauty of your house. With our vast industrial experience, we offer a wide range of products for Mosquito & insect solution for commercial, residential and industrial purposes.

Since our inception, we offer qualitative products in the market and maintain our reputed position in this industry. We offer our elegant design product ranges at competitive prices. They have a commendable service life, unmatched functionality and environment friendly. We...
