

Kailashpati Polymers

<https://www.indiamart.com/kailashpatipolymers/>

We are the prominent Manufacturer and Supplier of a wide range Polyester Resins and Fiber Glass Product. We offer these at competitive prices in the market. Moreover, these are highly demanded in the market for their efficiency and quality.

About Us

"Kailashpati Polymers", started its business operations in the year **2002**, at **Ghaziabad (Uttar Pradesh, India)**, is revered as one of the leading **manufacturer** and **supplier** of **Polyster Resins** and **Fiber Glass Product**. Owing to superior quality, reliability, durability, long life, low smoke emissions, nature friendliness, good adsorption power and high mechanical strength, our range has become the favored choice of our clients. To manufacture our range, we make use of finest quality raw material that is sourced from reliable vendors of the market. Besides, product development stages are put across a series of quality checks to ensure its flawlessness and reliability. Before offering our range in market, our product is properly checked to ensure its compliance with international as well as domestic trends. Be it quality-testing, manufacturing, packaging, storing or dispatch, all business processes are carried out in our state-of-the-art infrastructure facility. Our infrastructure spreads throughout the extensive land area and is functional with latest machines and technically advanced tools and equipment. To maintain timeliness and superior quality production, we have partitioned our infrastructure into number of specified departments. Our infrastructure includes manufacturing unit, quality monitoring, warehousing and packaging, marketing and sales, administration and varied other units. Our...
