About Us

Kailtech Test & Research Centre Pvt. Ltd or KTRC, as it is fondly called, is a NABL Accredited, ISO 9001 certified, BIS Recognised reliable, dedicated Testing Laboratory and Research Centre focused on customer requirements and finding reliable, practical and timely solutions to specific situations. Our motto is "*Quality first & forever*" and we live up to the same by undertaking normal routine analysis & simultaneously have the abilities and potential for developing entirely new methods which may be required for technically complex projects. We always provide timely, accurate and customer oriented services. Established in 2006, we have had the privilege of providing testing & consultancy services to many renowned consultants, architects, construction companies, contractors, multinational companies & govt concerns in Central India. We have worked for many NHAI, RITES, Railway, DGMAP, Army, GAIL, UJNL, MPRDC, MPT, MPVVCL, IDA, IMC projects.
