About Us

It is our endless effort to give the best of the services to the patients in diagnostics and give them quick and accurate diagnosis with an extra facility of online/internet reporting. As we all know that timely diagnosis of any disease is very vital for any doctor in treating his/her patient, with several years of experience in the field of medical diagnostic, KAKATIYA DIAGNOSTICS proudly announces to launch of its state of art modern diagnostic laboratory along with 30 Franchise Centres in the North Telangana for the immediate and accurate reporting to the patients. Health care has become very costly with the changing life style of the people. Keeping this in view KAKATIYA DIAGNOSTICS initially as stated, is the first modern and comprehensive diagnostics in north telangana at economic prices with high-end infrastructure, located at Hanamkonda, Warangal Dist.
