## About Us

Kalakritishop.com is an online retail store exclusively for Indian handicrafts. We are also one of India's first online portals for temples and puja accessories. Our website's parent firm, Kalakriti is an Indian handicraft and interior decor boutique which was established in 1996 by Mrs Usha Bajpai and is ever since involved in the designing, retail and exporting exquisite handcrafted products. Over the past decade, Kalakriti has become synonymous with beautifully crafted and well detailed hand made products ranging from temples to collectibles and other custom made interior decor products for Living Rooms, Dining and Bed Rooms. The boutique is committed to continuing its tradition by bringing quality, accountability and detailing to the Indian Handicraft sector. Kalakriti collaborates with artists and craftsmen from five different states of India to produce an eclectic palette of beautifully crafted and exquisitely detailed products in panchdhaatu, brass, meena (glass enamel) and wood. The firm also specializes in Indian classical interior design by exclusively designing, crafting & manufacturing products for each of its interior decor projects. We welcome you to our website and thank you for your support and interest in our work.
