About Us

Inspiring arches, breathtaking skyscrapers, precision engineered bridges, a fabulous sports complex – changing the country’s skyline by creating success storey – that’s Kalpana Struct-Con Pvt. Ltd. for you! We are a full-fledged construction company with many large projects in Maharashtra, Gujarat, Rajasthan and other places to our credit.

Founded in Mumbai in 1981, initially formed as a partnership firm with the name and style as “KALPANA BUILDERS” was converted in to a Private Limited firm in the said name & style in the year 1989. Kalpana Struct-Con Pvt. Ltd. is a premier construction company in Navi Mumbai with high profile legacy of engineering marvels that scarf the western skies throughout the length and breath of Maharashtra, Rajasthan and Gujrat.

We pride ourselves on our resources – a sound infrastructure, the latest equipment and a professional and committed team. Quality is our top priority and is monitored at every stage. We have even set up an on-site lab to ensure that only the best materials possible are used.

Whether you are looking for a small housing project or a multi-crore shopping mall we can build it for you.
