About Us

Kamakhya Logistics – A Logistics Company We would like to introduce ourselves as **Kamakhya Logistics**. Focuses on domestic cargo market & specializes in express movement of bulk material from consignor to consignee in safest mode. We have been in logistics business since last 4 years. Kamakhya Logistics has dynamic management with proven track record in handling express cargo business. Its dedicated and experienced personnel ensure personalized services to each & every customer. Entire team of **Kamakhya Logistics** is driven by a simple but powerful philosophy – “Customer is the king” & hence has a clear objective to ensure “customer delight” during its engagement with the customer. More about Kamakhya Logistics **Kamakhya Logistics** is an enterprise started by team of professionals having an experience of more than 15 years in logistics industry. There was a gap between services offered by large cargo companies & small local players. While large companies offered safe & reliable transportation at a premium, small players offered competitive rates but reliability was an issue. **Kamakhya Logistics** was established to fill this gap of providing reliable services at competitive rates. Thus **Kamakhya Logistics** combines the best of both the categories and provides safe & reliable transportation service at a cost which surely is a pleasant surprise for its...
