About Us

Established in the year **1983**, we, "**Kamal Metal Industries, Jaipur**", are one of the well-known organizations engaged in manufacturing and supplying a wide range of **Stainless Steel Railings** and **Furniture**. Apart from these, we also provide various types of **Aluminum Utensils**. Our range is known for being durable, corrosion resistant and light in weight. We are capable of manufacturing these products in bulk quantity to meet the growing market demands. Our range is provided in different sizes and shapes to fulfill the specific needs of the clients. We give prime importance to the quality of the products and test these on the basis of durability, so that our reputation in the market can be maintained. Our distribution network is vast and it helps us in delivering the consignments in a very short duration of time. We have garnered the trust and faith of the customers owing to our superior quality of products and the customer support. Our organization has progressed under the guidance of the mentor, '**Mr. B.L Jain**', who has gathered vast experience in this domain. He has helped us in dealing with complicated situations and in attaining desired results. Owing to his motivation and support, we have excelled in this domain.
