

Blooming Flowers

<https://www.indiamart.com/kamala-laxmi-enterprises/>

Blooming flowers is India's premier Online Flower Store, showcasing over 1000 varieties of flower arrangements and fresh cut flowers.

About Us

Blooming flowers is India's premier Online Flower Store, showcasing over 1000 varieties of flower arrangements and fresh cut flowers at a competitive & wholesale rates. We cater flower services on different occasions for birthdays, anniversaries, weddings & corporate events. Our service also includes flower decoration for cars, banquets, corporate entrance / reception, Offices and conference rooms. The flowers is hand-picked from top growers in India & abroad like roses, liliun, chrysanthemum, Carnations and Orchids. Based out of Mumbai, Blooming Flowers started operations in February **2010** and in 5 years of operation the company has seen an overwhelming response & growth. Visitors grew from a mere 1000 in February 2010 to over 10 lakh in April 2014. Blooming Flowers has now become the preferred flower destination for majority of them across the country.
