About Us

Established in the year **2016** at **Pune, (Maharashtra, India)**, we “**Kanhaiya Stationery & Services**” are a **Partnership Firm**, engaged in **trading, wholesaling** and **retailing** of the best quality Office File, Ball Pen, Apsara Eraser, etc. Under the direction of our mentor “**Anant (Purchase Head)**”, we are able to achieve the perfect position in the industry.

Though with the introduction of computers, major important information are kept in it but still a large number of stationery items are used in several banks, corporate companies and educational institutes. To meet the market demands for several stationery products and provide the finest to customers, we, **Kanhaiya Stationery & Services**, are running our company. We are a new firm, which is working with high enthusiasm and determination to establish ourselves as a leading stationery items **trader** of the market. Customers are highly valuable for us, we run our most of the business tasks and design policies, keeping the clients' preferences & comfort in mind. Our entire product-line is sourced in many designs, sizes, colors and specifications so that requirements of a large number of customers can be easily met. Further, our quality focused company examines each procured piece so as to serve the finest stationery items to the customers.
