About Us

Kanshi Pharma established with the prime objective of Manufacturing Nutraceutical Products ,Protein Powder, D-3, ORS, Pre & Probiotic and Energy drinks & a Separate Dedicated block for clay Products. The factory is Located at Vardhmaan Chowk ,Sai Road ,Baddi, Distt-Solan (HP), about 45km from Chandigarh. The Operational activities are based on total indigenous technology. We have always focused on improving the health of community by offering safe efficacious and quality products. We aim to become the most reliable name in the pharmaceutical, Nutraceutical & Ayurvedic industry with excelling in the manufacturing of the best quality medicines as per international standards.Kanshi Pharma is an R & D driven company providing high-quality medicines for a healthier world. It is India's one of the fastest growing research based-based healthcare Company engaged in contract manufacturing of pharmaceuticals formulations.

Quality, innovation and customer satisfaction are our core values. The approach is technology driven to serve the emerging needs in the ever-expanding market. The model is dynamic with sophisticated and modern equipment & machines, huge capacities in all sections, acumen to innovate, and dedication to providing high-quality products and a progressive learning attitude.

With an aim of healthier today and tomorrow, Kanshi Pharma is working towards redefining global healthcare.
