<https://www.indiamart.com/kapilpumpscables/>

We are one of the reputed manufacturers & suppliers of core cables, armored cables, unarmored cables and fitting wires. All these wires and cables are manufactured as per the IS:694 (1990) IS:1554 (PART -1).

## About Us

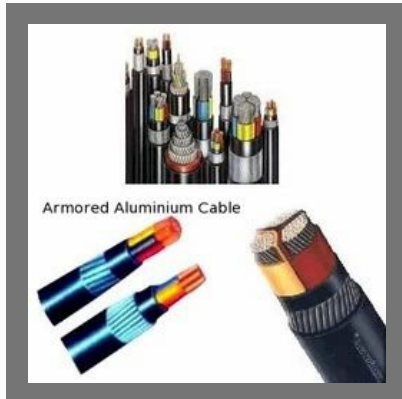

Established in 1996, we **Kapil Pumps and Cables** are one of the preferred names in manufacturing and supplying a wide range of **Cables, Armored Cables and Unarmored Cables**. Our product range includes **Aluminum Single Core Cables, Single Core Cables, Three Core Flat Submersible Cables, Three Core Cables, Unarmored Cables, Armored Cables, Electrical Flat Cables, PVC Flat Cables, Flexible Flat Cables, Round Flat Cables, House Fitting Wires and Copper Wires**. All these products are designed in accordance with the IS:694 (1990) IS:1554 (Part 1) and are available in various customized sizes as per the requirements of our clients. To deliver this superior range of products, we have developed vast infrastructure, which is installed with latest machines and equipment. At this infrastructure, we have employed a qualified team that helps us in meeting with bulk requirements of our clients. With the help of our resources we cater a wide network spread in MP and CG. Under the able guidance of our mentor Mr. **Mahesh Kumar Patidar**, we are able to carve a niche for our self in this competitive environment. He is expertise of this domain that has enabled us to successfully deliver solutions as per the exact requirements of the clients.
