About Us

We are a supply chain company originating, processing & marketing Agro-commodities & food products, with a focus on spices, oil seeds, pulses, cereals, feeds, herbs & Botanical, raisins, dry lemon and foodstuffs. Our relatively young company with a 20 year history has great product, market and logistical intelligence.

As a company run by owners, we are able to react quickly and flexibly at the every stage so you have a single efficient source for ordering, service and support across multiple product categories.
