<https://www.indiamart.com/kapurfasteners/>

We are well-known Manufacturer, Exporter and Supplier of Automobile and Industrial Fasteners. The offered range of product is acknowledged among clients for their compact design, superior quality, corrosion resistance and durability.

## About Us

Established in the year **2005**, at **Ballabhgarh, (Haryana, India)**, we, “**Kapur Fasteners pvt. Ltd.**”, are leading **Manufacturer, Exporter** and **Supplier** of superior quality Automobile and Industrial Fasteners, as well as Special Customized Fasteners. Our organization is known for providing high quality products that are manufactured using premium quality raw material with the help of latest technology in accordance with the set international standards. The raw materials we use to manufacture these products are procured from reliable sources of the industry. Our complete product range is highly appreciated among clients for its low maintenance, durability, easy to use, optimum quality, compact design, corrosion resistance and long life. These products are tested on several set parameters of quality in order to deliver the perfect range of product at the clients' end. Further, these products are available in various specifications as per the specific needs of our clients. Our advance infrastructural base has contributed towards the tremendous growth and success of the organization. In order to function smoothly, we have further divided our infrastructural base into various departments such as procurement, production, quality control, sales & marketing, R & D, etc. The work in these departments is carried out by our very competent and highly skilled professionals, who ensure hassle free operation....
