We are manufacturer and exporter of confectionery products, savoring namkeen, Indian sweets, & mouth fresheners with the experience of 6 decades. Our products are made from premium quality food grade ingredients in a clean and hygienic manner.

About Us

Incorporated in the year 1947, Shree Mohans Karachi Sweets Mart has been serving its customers with variety of sweets, namkeens and other traditional eatables that are sure to pamper the taste buds. With a motive to bring sweetness in everybody's life, we have earned enormous compliments for our premium quality products and timely services. Hygiene & health being the most important concern for all the edibles, we make sure that all products are processed and packed in the most sterile manner. Our attractive and quality packaging ensures that the products retain their flavor and nutritive value. Over the years we have developed one of the most envied positions under the mentoring power of Mr Vijay Athwani & Mr Vishal Athwani & it is because of team work we are gradually becoming famous in the global market. Apart from domestic we also export in the countries like Europe, Philippines, Spain, UK & USA.
