## About Us

Operationalized in 1998 to offer professionalized services to choosers & users of electrical goods in the then satellite town of Delhi, Gurgaon.

Our motto “**We Deliver Value**” is our driving force since then earning trust of our customers & enabling them to outperform competition together for OSRAM, SURYA & PHAROX LED’s throughout past 18 years.

Our quality benchmarks in product –brand selection, application of matching pricing & delivery styles along with time-tested relationship management since 1998 are the foundations of our flourishing network of 225 resellers.

Our team at Karamsons Distributors , focus in Trading and Supplying qualitative assortment of LED Lamps, LED Bulbs, LED Batten, LED Panel Lights etc. highly organized to cater to the dynamic requirements of maintenance, upgradation segment like Corporates & Hospitality.

We are channel partners of OSRAM, SURYA, PHAROX LED by NTL Lemnis. Products of OSRAM, SURYA, PHAROX LED are benchmark themselves manufactured at the vendors end using high grade factor inputs and cutting-edge technology in compliance with international quality standards. Also, the offered range is rigorously tested on defined quality parameters by quality inspectors using modern testing tools to ensure flawless products are delivered to clients. Our product range is highly acknowledged by our clients due to incomparable...
