## About Us

“StoneZ” is a business which offers the finest quality natural stone products sourced from across India. The company has been in business since 2009. We pride ourselves on the high level of service to our customers and our impeccable product quality. The company offers diverse selection of stone including Sandstone, Lime Stone , and Slate with numerous different finishes available. We have our head office and manufacturing facility at Kota, Rajasthan. Our Branch office is situated in Bengaluru( Karnataka). Apart from our own productions facility we have very strong relationship with factories who specialize in various products which are not our core products. We have been in the business for last 9 years, and have built a solid reputation both with our suppliers and our customers. The core values of the business are based on Integrity and Honest Hard work. We believe in building long term mutually beneficial relationship with our customers. Timely Deliveries: Not only do we maintain a enough stock level at all times, we also have in-house packing facilities-ensuring timely delivery for all our orders. Quality: Quality is checked by self inspection and patrol inspection at every stage of production; and “off specification” material is rejected without any compromise even if there is found any single minor flaw. Every tile shipped at “StoneZ” is checked through the expert hands of Quality Control Inspectors with calibrated Vernier...
