About Us

Kay Bee Exports was founded in 1989 by Mr. Prakash Khakhar and had seen tremendous growth over the last few years and is considered as the market leader in all the products it handles. Own farming operations, tightly integrated contract farming production, fleet of 22 vehicles, own freight forwarding and customs clearance operations and a distribution company in UK has helped Kay Bee bring in a lot of sustainability and effective quality control in its operations. This vertical integration is Kay Bees biggest USP and gives Kay Bee an edge over it's competitors. This also ensures and assures its customers of quality fresh produce each and every time.

Kay Bee Exports has secured a CRISIL 1A (highest possible for SMEs) credit rating for 4 years in a row. It has won five consecutive export awards and is a government recognised export house. Kay Bee's farm operations and contract production are certified to Global GAP (Good Agricultural Practices) & packhouse is certified to BRC Grade A (highest possible).
