Kay Jay Chill Rolls Pvt. Ltd.

<https://www.indiamart.com/kay-jay-chill-rolls-private-limited/>

Manufacturer and exporter of mill rolls, centrifugal castings, roll grinding cum fluting machine etc.

About Us

Kay Jay Chill Rolls is located in the green, unpolluted environs in the heart of the industrial area of Panchkula - the beautiful & lush green city adjoining Chandigarh, which is the most modern Indian city, designed by the great French architect Le Corbusier. Chandigarh is situated 250 kilometers north of India's capital New Delhi. Kay Jay Chill Rolls has established itself as a trustworthy name in manufacturing chilled cast iron rolls or mill rolls by the centrifugal spin casting process using the double pour technique.

Kay Jay Chill Rolls is manufacturing and exporting chilled cast iron rolls or mill rolls for the flour mills, animal feed mills, oil seed crushing, cracking & flaking, grain & cereal mills, rice flaking, steel re-rolling mills, pipe mill, tube mills, rubber mixing, rubber crushing, soap industry, paint & packaging industry, chocolate refiner, coffee grinding, beverage, malt, paper, mineral & ore grinding & other various industries since the year 1977.
