Our company specializes in manufacturing, wholesaling, exporting and supplying a qualitative range of Acrylic Lacquer, Coloring Paste and many more. We ensure timely delivery without making any compromise over products' excellence.

## About Us

**KC-Contech** was established as a sole proprietorship company and started its business as a leading **manufacturer, wholesaler, exporter and supplier** of a comprehensive range of **UV Resistant Pigment, Water Based Material, Antiseptic Disinfectant, Acrylic Lacquer** and many more. The company was formed in **1993**. We are committed towards excellence, continued as well as quick delivery of the bulk consignment, which further have enabled us in establishing distinct place in this challenging industry. To formulate our range, we use accurate chemical composition and also use best use of the available resources, which enable us to make outstanding delivery of products into the market. Apart from this, our company never compromise over excellence, therefore we have adopted several measures that have been recommended by the industry. Furthermore, our priority is to outshine customer's expectations by endlessly catering to their demands with desired and best quality range of products. Our ethical policies, cost effective solutions, quality assured products and timely delivery schedules have enabled us to achieve huge clientele support and we have successfully expand our base across the nation. Our company has acquired a remarkable position in industry by carrying all their operations under the skillful guidelines of **Dr. R.N. Krishna and Mr. Krishna**, the praiseworthy owners of our organization. Their knowledge of concerned domain, rich...
