Trader and exporter of house wires, power cables etc.

About Us

electrical energy is the backbone of any country s economy. Modern industry and technology have opened for a wide range of endeavors and ventures particularly after the liberal economic policies, ushering a new era in various fields of technology. Cable industry is the core industry for development of any nation, presumably the lifeline for human beings, industries and agricultural development of India. k c power tracks is a decade old manufacturing company, based at silvassa (dadra and nagar haveli) in india. Established in the year of 1996, today the company has been distinctly recognized as a successful manufacture, exporter and supplier of variety of industrial cables and wires viz.

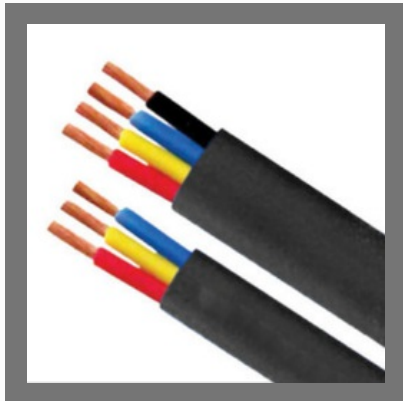

Armoured & un-armoured power cables, control cables, instrumentation cables, coaxial cables, flexible panel wires, battery cables etc . Kcp is also into production of telephone wire, submersible cables and house wires . All our products are an epitome of engineering, exclusively engineered as per different quality norms to meet wide ranging industrial & domestic needs. Moreover, we are identified as one of the prime telecommunication cables manufacturers and housing wires suppliers, based in India.
