About Us

Kelavkar Medical Centre right from its resuscitation (by Dr. Pralhad Kelavkar*, with his Masters in Medicine), since the December of 1995, has not just been famous for its exceptional patient care and heritage of over 100** years, but, even today is known, first and foremost for being homely, exceptionally clean and for absence of "the characteristic hospital smell".

Patients fondly call it 'The Resort Hospital'; 'A Home away from Home' and so on...

It blossomed from an 8 bedded clinic to a 30 bedded hospital with-

24 hour Emergency Services with Ambulance,

A fully equipped Casualty Room,
