About Us

Kitchen Appliances India Limited launched KENSTAR in India in October 1996. 18 years on, Kenstar enjoys the position of being one of the most preferred premium brands for electronic appliances in India. Kenstar is all about constant innovation and developing more technology frontiers, and with products ranging from Air Coolers and Water Heaters to Microwave Ovens and a host of other kitchen appliances including Mixer Grinders, Food Processors, Induction Cook tops, etc it provides the best value and comfort to every household. With 63 sales & service offices, 425 service franchisees and more than 3500 trade partners, Kenstar is close at hand to every family in the country through its strong network. Kenstar also recognizes the importance of after-sales service to the consumer. Our strong back-office support, the Kenstar Service Department, attends to the customer in less than 24 hours, starting from the time a complaint is launched in any part of the country. Today, Kenstar shares the trust and happiness of millions of families across the world, with a brand promise itself that lays the commitment to strive for a world-class lifestyle and delivering the best in class offerings to all.
