About Us

We are committed to offer our clients a wide range of plastic products as per their specific requirements. Established in the year 2015, we, "Kesari Plast", are a manufacturer and supplier of large gamut of plastic packaging material such as Mineral Water Bottle Cap 28mm neck, 20ltr Gallon Bottle Cap, All kind of Flip top caps. Our range of products are properly quality checked and are delivered within stipulated time frame. Moreover, our products are available in multiple shapes, sizes, colors and dimensions. Further, we can also offer customized solutions to suit the varied requirements of the clients.

We have gained industrial expertise, which is backed by our strong infrastructure combined with dedicated and skilled team of professionals. Our team consists of skilled technicians, quality inspectors and marketing executives. Our technicians make sure of designing absolutely error free plastic products and our quality inspectors inspect the raw materials and also supervise the production process and packaging unit.

Quality has always been our prime concern. We give utmost importance to quality at each and every stage of our production process. We have appointed a team of expert quality analysts for undertaking stringent quality checks throughout every stage of manufacturing process. We do continuous testing of our products in our in-house testing unit equipped with all the latest gadgets and technology. Only after the final approval of our Quality Analysts, the...
