wide range of **Granite Slabs**.

About Us

Established as a **Partnership** firm in the year **2017**, we “**Keshavsagar Granites Llp**” are a leading **Manufacturer** of a wide range of **Granite Slabs**. Keshav Sagar Granites started with a humble beginning in the year **2017**; operating from a small outlet in **Kishangarh, Rajasthan**, with time **Keshav Sagar Granites** managed to stand out as one of the largest dealer and stock holder of Marbles, Granites and Tiles in **Rajasthan**, owing to the efficient and highly dedicated team and their ardent belief in customer satisfaction. **Mr. Sagar Sardana, Mr. Keshav Bang & Mr. Rohit Mehta** the MD Granites to a new height, in the present **M/s Keshav Sagar Granites**, Kishangarh is recognized in the states of Rajasthan for the extensive range of quality products. We believe watching it firsthand gives the best idea about a product and have constructed a state of the art showroom to provide a live display of Imported Marbles, Indian Marbles, Granites Slab & Tiles. Granites are a one which describes our life style and our mentality. Granite is one of the most durable stones used in artistic and architectural applications, including outdoor sculpture. It is a hard, crystalline-based rock that is mainly used for making of table tops and laying floors. Other applications of granite include; office setup, halls for public gatherings, big building and monuments; gravestones and memorials and its slabs are used to make worktops. By...
