About Us

Keystone Interior Design is a service provider entity, operating with a sole motive to help individuals in creating property interiors as per their choices. We offer a range of interior designing services. The spectrum of our Commercial Interior Designing Services comprises of Bank Interior Designing Services, Classroom Interior Designing Services, Hotel Interior Designing Services, Office Interior Designing Services, Play School Interior Designing Services, and Restaurant Interior Designing Service. Besides, one can count on us for Residential Interior Designing Services and Interior Designing Consultancy Services. Ours is a group of individuals, who work in coordination to make sure that the provided solutions satisfy the requirements of the clients.

Keystone Interior Design is flourishing under the able guidance of Mr. Abhimanyu Poonia. He is the Owner of the company. We operate from Mohali (Punjab, India) and as a service provider, we started our company operations in 2018.
