

Khushi Exports (India)

<https://www.indiamart.com/khushiexports-ludhiana/>

We are Manufacturing a range of Industrial Fasteners, Hex Bolts, Industrial Washers and Mild Steel Nuts. These products are acknowledged for their longer functional life.

About Us

We “**Khushi Exports (India)**” established in the year **2010**, are involved in **Manufacturing** a range of **Industrial Fasteners, Hex Bolts, Industrial Washers and Mild Steel Nuts**. Our products are fabricated using a high-grade material, which is sourced from reliable vendors of the industry. Technologically advanced machinery at our unit, with the help of proficient employees, help us carry a smooth production process. We have a team of inspectors associated with us who are committed to inspecting the entire business operation as well as product range for ensuring defect free gamut reaches to the client. This ensures that all our products are made up to prevailing industrial standards. Hence, our products are highly durable, efficient, have a long service life and provide optimum performance. Clients can avail these from us at highly cost-effective prices in the market.

Our Proprietor, “**Mr. Vikas Bansal**”, has immense experience in this industry and under his worthy guidance, we have achieved a prominent position in this industry. His tireless efforts and dynamic management skills have helped us in carving a special niche for ourselves in today's competitive business scenario.
