About Us

We operate from Mumbai, India, and cater to clients across the globe. Our combined experience is of over three decades, and responsible for over 1000 documents, 50 eLearning courses, and 1000 storyboards. In the last two years, we have grown two-fold in size; witnessed newer heights, and broadened our skills at every step. Today we possess the knowledge and skills to:

- Structure content based on DITA principles.
- Adapt to learning theories such as: ADDIE, Blooms Taxonomy, Scenario-based learning, and others.
- Utilize all leading technical communication tools such as: Adobe RoboHelp, FrameMaker, Madcap Flare, AuthorIT, and others.
- Utilize eLearning tools such as: Articulate Studio, Articulate Storyline, Adobe Captivate, Snap Lectora, Adobe Flash, Adobe Presenter, and others.

Why Us?

We utilize every drop of our knowledge and experience to understand your requirement, analyze your audience, create documents and online courses with correct words and phrases. And once we are done creating your product, we make it better by refining the content and graphics as per your product / concept.

Other convincing reasons to work with us are:

- Documents are delivered on schedule.
- Content is neatly structured.
- Sections are organized and mapped.
- Versions are maintained.
- Documents are stored in secured and trusted servers.
