Incepted in the year **1999**, in **Nagpur (Maharashtra, India)**, we “**Kiran Packaging Industries**” are known as the reputed manufacturer and supplier of premium quality.

About Us

Incepted in the year **1999**, in **Nagpur (Maharashtra, India)**, we **Kiran Packaging Industries** are known as the reputed manufacturer and supplier of premium quality range of **Plain and Printed PP Bags, Plain and Printed HM Bags, Plain and Printed LD Bags, Plain and Printed Rolls, Plain and Printed Paper Bags and Non Woven Plain and Printed Bags**, These products are used to carry clothes, medicines, stationery, food product, toys, **bakery products, namkeen packing, wafers packing**, etc. The offered products are highly appreciated for their features like high load bearing capacity, light-weight, transparency, moisture proof, tear resistance and high strength. As per the international quality standards, these products are manufactured using premium quality basic material and sophisticated technology. To meet specific requirement of our clients, we provide these products in several colors and sizes. To maintain the quality, our quality controllers thoroughly test these products on well-defined quality parameters.

We have setup a state-of-the-art infrastructure facility that covers over a large area and assist us in the manufacturing of premium quality bags and liners in different specifications. We have divided this infrastructural unit into several well functional and capacious departments like production, quality testing, research & development, sales, warehousing, packaging and many more. Out fitted with all the necessary amenities, our...
