About Us

Incorporated in 1996 Kirti group of industries is one of india's imperative and domineering edible oil companies well known for its state-of-the-art in processing, refining and marketing of edible vegetable oils.Kirti group has grown exponentially since its inception and is an acknowledged Numero Uno in maharashtra as far as edible oil industry is concerned and ranks amongst the top three in india as far as solvent extraction and allied processes are concerned.Kirti group is engaged in oil milling field since last forty years and in solvent extraction and refining since last twenty years.the group has manufacturing units in latur, nanded, solapur, hingoli in maharashtra and bijapur in karnataka. Since all the plants are located in the vicinity of oilseed growing belt, the group enjoys geographical advantage by subtle access to the procurement of raw material in four states .the group is also actively engaged in international oil market in argentina ukraine malaysia tanazania and indonesia and some other economies through its star rated export house. Flourishing in consumer market the group has set benchmark in the edible oil industry in maharashtra, karnataka, chattisgarh and andhra pradesh.Despite its late entry in the consumer market the group stands tall with its competitors ,majority of which being the multinational companies.one of the major reason being the quality of products and the detailed study of the consumer tastes and preference.All the...
