Kisalaya Herbals Limited is a trusted manufacturer of Extracts for Ayurvedic Formulation and Herbal Medicines & Acids. These products are widely appreciated by the clients for their high level of purity and longer shelf life.
About Us

The company was established in 1990 by Mr. Rajeev Deshmukh, who continues to be the Managing Director till date and Shri J. A. Chalukey who is the Technical Director of the Company. A manufacturing unit was set up to produce standardized herbal extracts and phytochemicals near Indore.

"Kisalya Herbals Limited", a GMP, ISO 9001:2008, ISO 14001:2004 Certified & US FDA registered company, is a premier bulk supplier of botanicals/herbal extracts in India, specializing in herbs of Indian origin. Our extracts are used extensively as ingredients in Ayurvedic/herbal medicines as also in modern dietary supplements, food ingredients and cosmetics.

The unit has its own manufacturing facilities which are most modern and complementary. The company has its own in-house laboratories where rigorous testing of raw material and finished products is done.

Indore is a major business city of Central India and is well connected to the rest of the world by air, railways, roads and telecommunications. The larger parts of the Indian Jungles are situated in Central India in the vicinity of our factory which allows us to procure raw materials, i.e. herbs, economically and quickly. Local experts help in procuring the best quality herbs for the best quality extracts.
