About Us

Established in year 2014 with an aim to provide fresh fruits and vegetables to Chandigarh people, today we have handsome number of clients. Our clients are individuals, corporates, hotels and resturants. We guarantee timely and very cost effective deliveries. We can beat any quote in fruits and vegetable in Chandigarh area. We also are in general groceries and do home deliveries for these too. We plan to expand in the coming years to nearby cities which would include Mohali and Panchkula. You can call us or contact us via email or contact forms in the website. We would be happy to serve you. We undertake bulk orders for marriages, requirements in hotels and institutions. We ensure fresh supplies and that is why we say that buy less but buy everyday, so that you get the best out of your food.
