About Us

Jayka Jansahayak Trust is a charitable trust registered under the Bombay Public Charitable Trust Act 1950. It was founded and is managed by a group of prominent academicians and eminent personalities from various walks of life. The main objective of the trust is to provide highly-skilled engineers to industrial units operating in rural areas.

It seeks to achieve its aim by offering modern curricula, world-class infrastructure and appointing experienced faculty. The trust is in the process to open two institutes namely, KJ Institute of Engineering & Technology and S B Polytechnic.
