Overall in Residential, Commercial, Industrial, Warehousing and Sundry Projects, We had completed construction on over 1.705 Crore Square feet of area.

About Us

The man with the excellence **Mr. K K Durraj (CMD, KK and Associates)** had put his 100% in his mission and vision, with a very long experience with the city being the proper bhiwandian, He was well aware of every merits and demerits of the city.

He plotted a Joint Venture Scheme between the local farmer and Builder / Developers, The farmer who use to work hard in his farm all round the year and has to depend completely on the nature to get the reward in form of good crops at the end. With the past seven year experience of the same we can conclude that they achieve nothing more than winning bread for the family. The kokan area is facing unexpected climatic disaster which perishes the crop.
