# Komal Tex Fab Private Limited

<https://www.indiamart.com/komal-tex-fab/>

Komal Texfab holds a position of India's one of the leading Process House of Knitting, Dyeing & Printing, right from its inception in year 1981. Over 3 decades, its annual turnover crosses INR 200 Crore with production capacity.

## About Us

Komal Textfab holds a position of India's one of the leading Process House of Knitting, Dyeing & Printing, right from its inception in year 1981.

Over 3 decades, its annual turnover crosses INR 200 Crore with production capacity beyond 500 ton per month. These figures show our tremendous success and brisk growth.

Our legacy based on ingenuity, vitality & authenticity leads to celebrate progressive and independent thinking. This all together help us to go ahead for forward integration from garmenting to retailing. We can proudly say that as a vertically integrated proficiently managed unit of Yarns to Garmenting at one floor we are providing One-Stop Solution from Dyed / Printed Fabrics and Readymade Garments globally.

Our clientele includes most of the domestic and world class renowned brands, which are inspiring, renewed sense of individuality and freedom in fashion industry, and we are catering to their needs in all best possible ways. This shows our spirit of constant adventure
