About Us

We introduce ourselves as pioneers in the field of Fire Fighting Vehicles and Portable pumps with unmatched quality. Kooverji Devshi & Co. Pvt. Ltd. is one the earliest companies established in India with a dedicated mission to service the Fire & Safety needs of Fire Services, Industries, Refineries & Petrochemicals plants, Mines, Airports, Infrastructure & Defense.

Based on our continuous dedication in this particular field for the last 65 years, we have acquired sufficient expertise and experience to design, develop and fabricate any fire fighting/specialist vehicle or equipment irrespective of its sophistication. All our products are completely customized to our clients & International standards and norms.

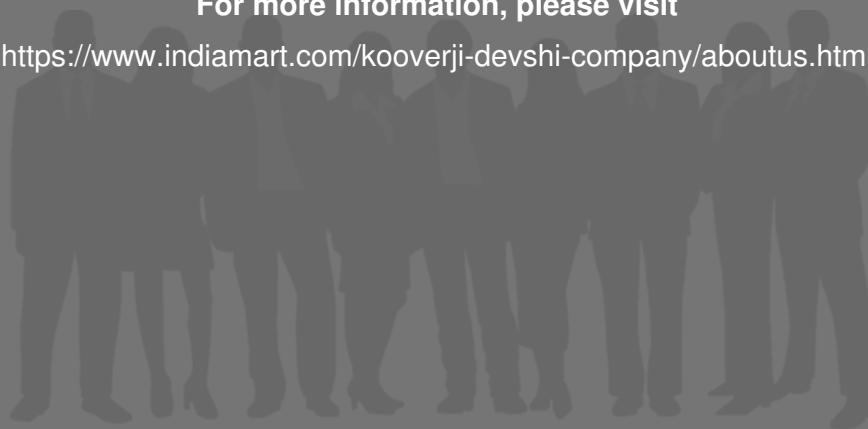

We operate from our facility at Navi Mumbai that houses all the processes for the design and manufacture of customized fire fighting vehicles: pumps, monitors, superstructures, tanks and control systems with stringent Quality Control.

The company is engaged in the manufacturing as per BIS specifications of the following type of fire fighting vehicles shown below.

- Water Tender Type 'B' for State and Municipal Fire Brigades
- Industrial Foam Tenders
- Combined Water/Foam/CO2/DCP Tenders
- 1000 kg. and 2000 kg. Dry Powder Tenders
- Airfield Crash Fire Tenders for Airport Fire Service use
- Rapid Intervention Vehicle for Airport Fire Service use
- Foam Nurser Trucks
- Emergency/Rescue...
