## About Us

The year is 1969. The place is the quiet Coimbatore suburb of Ganapathy. A tiny, newly opened bakery was becoming a sensation with the local people. It satisfied a unique need to satiate appetites with fresh, quality food in casual, friendly settings. That is how we started as a unique local bakery. People loved our concept and so we evolved as a bakery cafe for them in their own neighborhoods. Today, we continue to expand and grow in order to provide more such outlets in neighbourhood locations convenient to you, and are easily accessible too. Our mission to provide the premier bakery cafe experience is being realized every day. The results are showing, and we are now one of the largest bakery chains in India. Our appetite for success has seen us diversify into various spheres and walks of life. KR Bakes is a pioneer when it comes to bakery-cum-cafes. Even before domestic and international coffee chains had made their presence known in India, we had already made our mark. Now, we are more than just a place to get best confectionaries. The bakery cum café chain's success encouraged us to expand into the hospitality business, thereby starting our first budget hotel The KR Residency in 2010, in Coimbatore. Our latest addition to our group is the online cakes portal that will help our loyal customers to order our cakes online and get them delivered at their doorstep. This will revolutionize the...
