About Us

Established in September 2008, KRANS Projects Pvt Ltd acquired the business of K. Ranga Rao, the sole proprietorship firm of Mr. K. Ranga Rao, (KRANS Projects Pvt Ltd Promoter). K. Ranga Rao has been executing orders for South Central Railway (SCR) works since 1983; after commencement of operations, KRANS Projects Pvt Ltd diversified into executing projects as a special-class contractor for the irrigation, and Roads & Buildings Department of the Government of Andhra Pradesh. Our belief and commitment enabled us to provide value for money to our customers and undertake large scale projects for South Central Railway, Roads & Buildings Department (Govt. of Andhra Pradesh), Irrigation Department (Govt. of Andhra Pradesh). A rising name of commendable repute in construction services across the South India, our specialty lies in delivering topdraw solutions to all the aspects pertaining to undertaking of construction projects of any shape, size or difficulty. The company now prides in delivering an umbrella range of services pertaining to virtually all aspects of Construction Management . Right from covering all the key aspects of a Program Management schedule, to keeping a tab on the various checkpoints in the Project Controls module, there is no aspect the clients need to worry about once they hire the experts from Krans to do the job. **Krans Projects Pvt. Ltd.** is a modern and innovative construction company, but with very deep roots. Its principles of honesty and...
