

Kranti Glass Fiber Industries

<https://www.indiamart.com/kranti-glass-fiber/>

We are a coveted firm engaged in manufacturing and supplying Play Ground Equipment. Our products are widely appreciated by the clients for their attractive designs, smooth edges, fine finish and corrosion-resistance.

About Us

Established in the year **2004**, we, “**Kranti Glass Fibre Industries**”, are engaged in manufacturing and supplying **Play Ground Equipment**. We use high-grade steel, FRP and other raw material in the manufacturing process. These products are widely demanded in kinder gardens, play schools, amusement parks for their features like smooth surface, corrosion-resistance and high strength. Our professionals design each product artistically to gain the attention of the children. The rides offered by us add to the fun and excitement of the children. We are known in the industry for our consistent quality standards. For maintaining the same, we have established a modern quality testing laboratory, wherein requisite instruments and technologies are installed. This laboratory functions under the vigilance of our expert quality auditors, who perform stringent tests on the product. Our quality assured products help us in meeting the variegated demands of the valued customers. Further, our flexible payment modes such as **cash, cheque, DD, Invoice** and **Online**, facilitate trouble free transaction. As per the order placed by the clients, we offer customized packaging solution. All these activities help us in winning the utmost trust of the customers. Following the footsteps of our proprietor, '**Mr. Vikas**', we have been able to scale new horizons. His constant motivation, years of experience and detailed knowledge of the...
