## About Us

Krishna Engineers (I) was founded in 1992 by Sh. Ramesh Chander Sachdeva with an aim in mind to built a company that lead the whole world with quality & perfection. The company has its base in Ludhiana with capability of producing world's leading quality hardware goods. Quality & Perfection is need of the hour and with quality we can compete with the whole world. We started exporting our goods to different parts of the world in 2002 under the brand name Krishna. By the grace of God and the blessings of Sh. Ramesh Chander Sachdeva, the production is expanding day by day under the supervision of his two sons of - Mr. Vaneet Sachdeva and Mr. Raman Sachdeva. We have now state-of-the-art infrastructure, world-class capacities and capabilities. With the result of that we are now certified as an ISO 9001:2000 by DNV.
