<https://www.indiamart.com/krishna-techno-chemicals/>

Krishna Techno Chemicals is established in 2012. We manufactures and deals in SUPER BOND ADHESIVES and FIBER GLASS MESH NET. We provide best quality Material in the market.

## About Us

Krishna Techno Chemicals are the leading Manufacturer, Wholesaler And Supplier of different types of adhesive from 2012.

- We mainly deals in Super Bond Adhesive and Fiber Glass Mesh Net. Our products are mainly used in making stone wall panels, marble temples, statues, pillars etc.
- We Propide excellent adhesive for pasting gravel over unpolished surface of granite tiles, So as to render strong grip with the cement mortar, while Pasting Marble moldings over marble, wood or any other concrete surface.
- Fiber Glass Mesh is combined with specially designed mesh surface treatments can be used in a wide range of application but are mainly used in construction industry. Surface treatments based on styrene-butadiene ensure alkali resistance and increase the machanical surability that is required by the construction industry.

We are always ready to serve our valuable customers and meet their most demanding requirements.
