

Krishna Agro Cold Storage

<https://www.indiamart.com/krishnaagroservices-com-1204011/>

We are an exporter, supplier, wholesaler and trader of a wide range of Agro products. Along with this we are offering Cold Storage Services to our valued customers.

About Us

Starting in the year **2011**, we, "**Krishna Agro Cold Storage**", have established ourselves as a noted organization for supplying, wholesaling and trading a large collection of Agro products and also rendering Cold Storage Services. Our offered range of products are Fresh Onions, Sesame Seed and Fresh Potato. We provide our Dairy Product Cold Storage and Vegetables Cold Storage services on rent to help customers store their products under suitable temperature. The services are available to the customers to store all types of perishable items for a year. Keeping perishable products in cold storage maintain their edibility, freshness and prolongs their life span.

We are supported with competent and adroit professionals, who enable us to offer these services. The team members has fully knowledge about the offered services, so that they can easily manage the cold storage system. With their help, we have stock the products and retain their freshness and nutritional value. Our prompt and timely services, transparent dealings and easy payment modes make us the first choice of our wide client base.

Under the guidance of our mentor '**Mr. Brijesh Borad**', we have managed to achieve the repudiation position among the clients. Owing to his sharp business acumen, wise management skills and foresightedness, we have been successful in establishing new benchmarks.
