<https://www.indiamart.com/krishnaarts-gurgaon/>

We manufacture broad variety of Artificial and Handmade Flowers that are offered exclusively in several textures, colors and designs. We offer contemporary designs through our reliable & prompt services and effective use of resources.

## About Us

**Krishna Arts** was incorporated in the year **2010**. We are engaged in offering highly specialized products and services in the sphere of **Artificial Thai Flower Decoration Works**. Being a vernal organization, growing at a rapid rate in the market, we render our industry standard services in a cost efficient and timely manner. All our offerings are appreciated for maximum resource and space utilization. Our products are used for embellishment across various interior spaces and enhance their look as well. We have designers in our organization, who put forth maximum efforts in rendering top-notch quality and services. With their relentless endeavors, we have been able to undertake projects for offices, homes, retail stores, commercials complexes, among others. We make use of all the available resources to a great extent to transform an ordinary vacant space into an appealing and functional area with our elegant and beautifying decors. Our company is emerging into a successful organization in the market under the guidance of our adept mentor, **Ms. Kavita Aggarwal**. Her in-depth knowledge and business expertise has helped us cater to differing client demands across the country.
